

Living in Denmark is great! Here's why...

- ✓ *It is a small country, with room for big thinking.*
- ✓ *It has the worlds happiest population.*
- ✓ *It has a clean, green and healthy environment.*
- ✓ *It values welfare, diversity, equality and safety.*

DENMARK DAY BEIJING

1-5PM 24th October
Peking University
Yingjie Exchange Center

- ✓ *An international mind-set that embraces diversity and differences.*
- ✓ *A work culture that values the balance between work and family life.*
- ✓ *A good and safe working environment.*
- ✓ *A prestigious job in companies that are world leaders within their sector.*

Working in Denmark gives you access to...

"Studying in Denmark is unique, and has provided me with social and professional skills important for my future career."

Zhang Yu, former graduate student at Technical University of Denmark, now R&D Manager at Novozymes

- ✓ *To experience a world renowned educational system.*
- ✓ *To grow in many ways, both academically and personally.*
- ✓ *To provide the basis for your future career.*
- ✓ *To make new friends from all over the world, and have a unique experience that lasts a lifetime!*

Studying in Denmark is a great opportunity...
